Volunteering opportunities
A growing number of volunteers are helping our staff, helping us make a positive impact with our work, raising awareness and inspiring people to help bumblebees.

It is very important to us, that volunteering with the Trust is an enjoyable experience and you feel you are making a difference.

Volunteering in any capacity is a great way to share your enthusiasm, skills and ideas whilst having fun and meeting like-minded people. Volunteering can deliver health benefits, help build confidence and self-esteem.

It doesn’t matter how much you already know about bumblebees, because there are many ways in which you can help.

BeeWalk
If you would like to commit your time to help survey bumblebees, you can join our national recording scheme ‘BeeWalk’ which monitors the abundance of bumblebees across the UK.

Visit our website www.bumblebeeconservation/surveys/ or email beewalk@bumblebeeconservation.org

Identify and count the bumblebees you see on a short walk each month from March to October.
